Logging into NCIR

Reminder

Before logging in for the 1st time you must:

- Self-register as a Business Account with NCID for a NCIR username (also referred to as a user id)
- Activate your account by clicking on the link in the authentication email sent from NCID
- Give your username to your NCIR Administrator*

Once your NCIR Administrator adds you into the system, you will be able to log in.

**Administrator is a type of user role in NCIR (see Appendix for more details)*

Logging into NCIR: Steps

1. Go to: <https://ncir.dhhs.state.nc.us>
2. Enter your username and password and click Login.

The screenshot shows the NCID login interface. At the top, there is a pink box labeled "NCID Tips". Below it is a large blue box containing the "NCID" logo, which features a map of North Carolina and a padlock. Under the logo are two input fields: "Username" and "Password", both of which are highlighted with a red rectangular border. Below these fields is a blue button labeled "NCID Login". Underneath the button are three links: "Forgot Username", "Forgot Password", and "Unlock Account". At the bottom of the blue box are two links: "Need Help?" and "Register!". Below the blue box are two links: "Privacy and Other Policies" and "Contact Us". At the very bottom, there is a warning message: "WARNING: This is a government computer system, which may be accessed and used only for authorized business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil and/or administrative action." followed by the code "NCC742".

What is NCID?

NCID is the standard identity management service that allows state, local, business and individual users to access North Carolina's applications and information systems in a secure, access-controlled manner.

Common Account Issues

Locked/Archived Accounts

Locked Account

- Accounts lock after 3 failed login attempts.
- The Immunization Branch does not have access to your NCID information. If you have locked yourself out of the NCIR, your options are:
 - Wait one hour for your account to reset
 - Contact the ITS Service Desk at 1-800-722-3946 to have your account reset

Archived Account

- If you have not logged into the NCIR for 18 months or more, your account will become archived and the ITS Service Desk cannot recover it.
- You must re-register for a new NCID account and username.
- Your NCIR administrator must inactivate your old username and add your new one.

Forgotten Username/Password

For a forgotten password or after 2 unsuccessful attempts to log in, you're directed to answer your challenge questions and reset your password.

- Spelling and punctuation must match your original responses exactly (capitalization does not have to match)

Please answer the following questions. If you answer these questions correctly, you will then be able to reset your password.

In which city or town did your mother and father meet?

What is your father's middle name?

What is your mother's maiden name?
